Street Chrysanthemum, Dahlia, and Vegetable Society

Chairmans Comments

Welcome to our 76th annual show, We have included new classes into the dahlia, chrysanthemum and vegetable sections this year, they are classes for collarette and waterlily dahlias plus a display of mixed dahlias, in the chrysanthemums, we have added classes for single blooms, in the vegetable section we have added classes for long beetroot, peppers, coloured potatoes and cherry tomatoes, not forgetting a vase of annual flowers and a jar of mixed pickles in the other sections.

There is no charge for entry to the show. Our show is funded from donations, profits from the plant sale and our sponsors. This year I would like to thank Dan Durston of Durstons Garden Products, Burns the Bread (Glastonbury), M T Carpentry & Plumbing and Nathan Taylor Landscape Services for their generous sponsorship this year. We are always looking to have more sponsors as not all classes are sponsored. If this is something you would like to do, please contact our treasurer, Pat Baker.

Thanks as always go to all those who make the show possible, our committee members, our sponsors, the judges that give their time for free, the Trustees at the Victoria Club who are always helpful and accommodating and all the numerous people who come to help with the refreshments, tombola, and setting up before and clearing up after the show.

We must not forget the exhibitors without whom there would be no show.

The Victoria club offers wheelchair access and parking adjacent to the function room. The function room we use is light and airy showing the exhibits at their best. There is a map on page 2 of the schedule showing where the Victoria Club is in relation to the High Street. For those using a sat-nav, the post code is BA16 0HB.

We review our schedule each year in the light of comments received. We are always pleased to receive feedback and suggestions for new classes, or alterations to the requirements of the individual classes. Our aim is to improve the schedule by continually reviewing the classes.

Our website, www.streetcdvs.org.uk continues to be updated with the latest news and our Facebook page can be found at www.facebook.com/streetcdvs/. There is a link from our website to the Facebook page – click on the at the top of each page.

SPONSORSHIP

As is stated on the back cover, the Society is very appreciative of the sponsorship it receives from various sources.

The committee is convinced a show of the standard that is achieved would not be possible without this financial support.

We take great pride in the show and endeavour to improve each year. However, costs rise – hire of hall, insurance, administration and many other items increase annually.

We try to make the prize money reflect the standards set by the exhibitors and, as can be seen, many of the classes are sponsored, although there are some that are not.

If you are able to offer sponsorship for a class or classes the committee would be delighted.

Please contact the Society's Secretary, Mrs Linden Driscoll;
Her address is also on page 1.
