Co - Chairman's Comments

Welcome to the Society's 72nd Annual Show. After thirteen years as Chairman of the Society, I now have a co-chair to share the role. I am pleased that Christian Hughes has joined me in that role, and I look forward to Christian taking on an increasing share of chairing the Society.

Since our last show in 2019, and with the global pandemic, we took the decision to hold a virtual show in 2020 where we encouraged members to send in pictures of what they had grown over the year. With the uncertainties of further covid lockdowns, we took the decision to cancel all operations for 2021, so it is with great pleasure that we announce we are returning to the Victoria club for our annual show this year.

The Victoria club offers disabled access and parking adjacent to the function room. The function room we use is light and airy showing the exhibits at their best. There is a map on page 2 of the schedule showing where the Victoria Club is in relation to the High Street. For those using a sat-nav, the post code is BA16 0HB. The Victoria Club has a bar adjacent to the function room, refreshments will be available in the function room. Thanks again to the Trustees at the Victoria Club who have again been helpful and accommodating.

Bob Burns, owner of Burns The Bread, agreed to present the Cups & Trophies this year. Bob has previously carried out this honour, and we as a committee look forward to having Bob represent us at the show.

There is no charge for entry to the Show. The Show is funded from donations, profits from the plant sale and our sponsors. We are always pleased to have more sponsors as not all classes have a sponsor. Please contact our treasurer, Pat Baker, if you would like to sponsor a class. Contact details are on the inside front cover of this schedule, or on our website.

As always, we review our schedule each year in the light of comments received. We are always pleased to receive feedback and suggestions for new classes, or alterations to the requirements of the individual classes. These may be passed to any member of the committee – either at the show, or via our website www.streetcdvs.org.uk. Our aim is to improve the schedule by continually reviewing the classes.

Thanks – as always – go to all those who make the show possible - the committee, sponsors, vice-presidents, judges, and all the numerous people who come to help with teas, raffles, setting up before & clearing up after the show. We must not forget the exhibitors without whom there would be no show.

Our website, www.streetcdvs.org.uk, continues to be updated with the latest news and our Facebook page can be found at www.facebook.com/streetcdvs/. There is a link from our website to the

Facebook page – click on the  at the top of each page.

Kind regards
John Merrick/Christian Hughes

SPONSORSHIP

As is stated on the back cover, the Society is very appreciative of the sponsorship it receives from various sources.

The committee is convinced a show of the standard that is achieved would not be possible without this financial support.

We take great pride in the show and endeavour to improve each year. However, costs rise – hire of hall, insurance, administration and many other items increase annually.

We try to make the prize money reflect the standards set by the exhibitors and, as can be seen, many of the classes are sponsored, although there are some that are not.

If you are able to offer sponsorship for a class or classes the committee would be delighted.

Please contact the Society's Secretary, Mrs Linden Driscoll;
Her address is also on page 1.
